

1 2 3 of using Farmers Market CVB!

1. Create an account

Open your phone's camera app and point it at one of the QR codes below to get started!

Download the Bnft app or visit mybnft.com and click "sign up". Enter your card number, zip code, and birthdate, then create an account using an email address and password.

2. Plan your trip

[maine.gov/WIC](https://www.maine.gov/WIC)

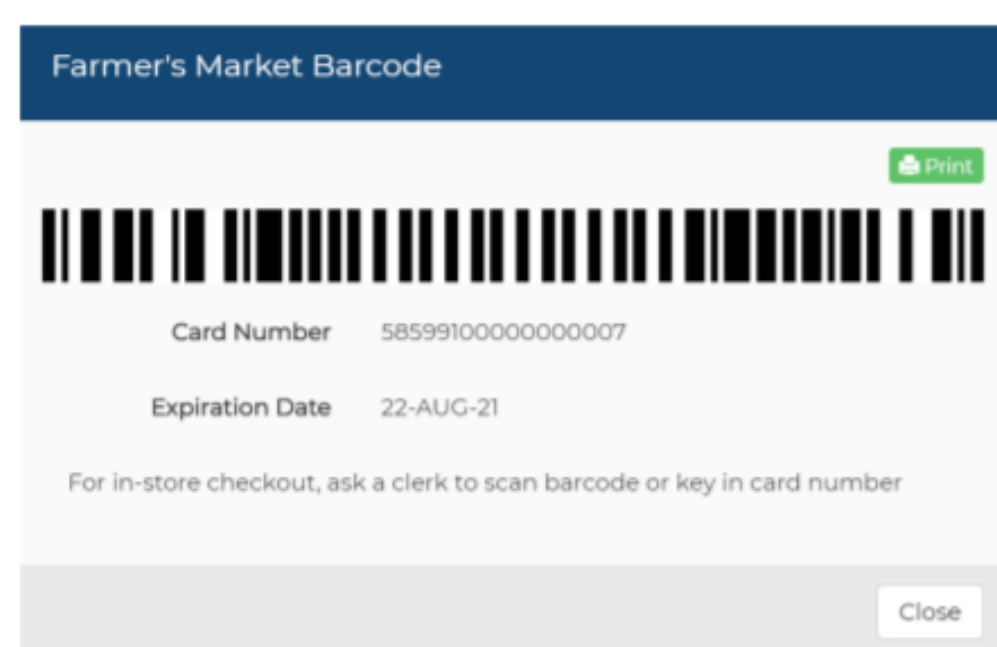

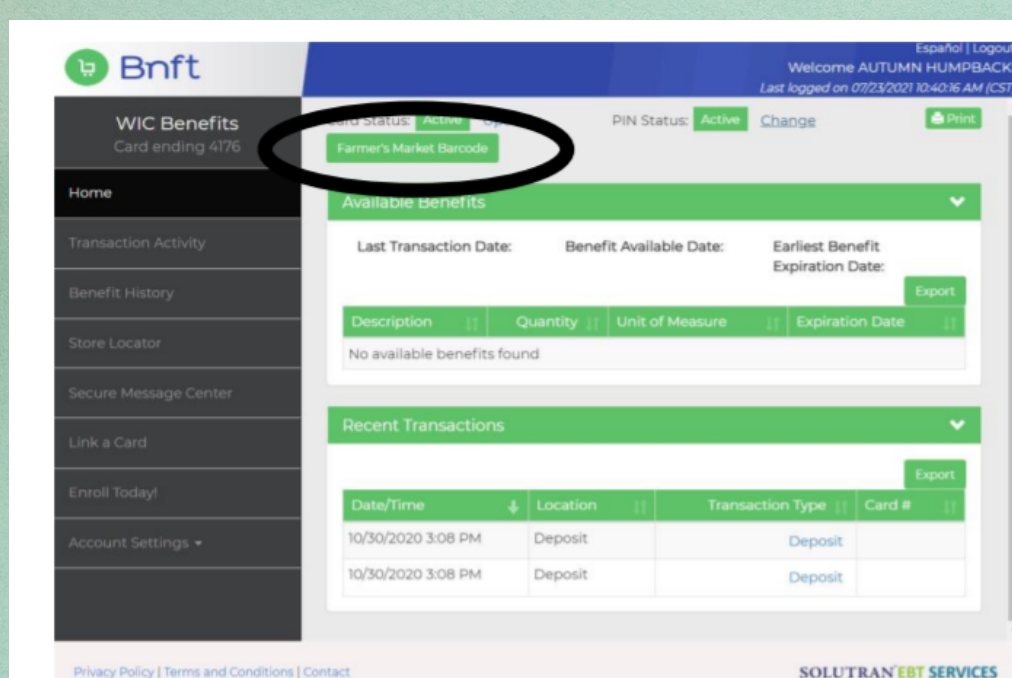

Go to www.maine.gov/wic to see what farmers markets or farmer sale sites are ready to take CVB.

Apple App Store

3. Shop!

Google Play Store

When you've found your farmer and you're ready to check out, log into the app and click the button to show the barcode. If you're using a computer to print your barcode, be sure to bring it with you. Your printed barcode will have an expiration date, so check before you go!
